

PODCAST

Creation Worksheet

A step-by-step guide for you to brainstorm, plan, and script your podcast during the workshop.

STEP 1: BRAINSTORM YOUR PODCAST TOPIC

What is your podcast about?

Who is your audience?

What are some of your ideas for your podcast?

STEP 2: CREATE YOUR PODCAST IDENTITY

Write down three possible names for your podcast.

Examples: Game Gurus, The Story Spinner, Mystery Quest.

What's your host name or style?
Friendly, funny, or serious?

What is your first episode about? Write a fun title.

STEP 3: SCRIPT YOUR PODCAST

1

INTRODUCTION

- Introduce yourself and the topic of the podcast episode
- Provide a brief overview of what the episode will cover

2

MAIN CONTENT

- Start with an engaging hook to draw in the listeners
- Use examples, anecdotes, or data to support your arguments or main topic
- Make sure your episode stays focused on the main topic and is easy to follow

3

CONCLUSION

- Provide some final thoughts or recommendations related to the topic
- Encourage listeners to share their feedback or continue the conversation
